To the Members of
Cree-Québec Forestry Board

The summary financial statements, which comprise the summary statement of financial position as at March 31, 2023, and the summary statement of operations and fund balances for the year then ended, are derived from the unaudited financial statements of Cree-Québec Forestry Board for the year ended March 31, 2023, on which we expressed a qualified opinion in our independent practitioner's review engagement report dated August 9, 2023.

Summary financial statements

The summary financial statements do not contain all the disclosures required by Canadian public sector accounting standards. Reading the summary financial statements, therefore, is not a substitute for reading the unaudited financial statements of Cree-Québec Forestry Board.

Management's responsibility for the summary financial statements

Management is responsible for the preparation of the summary financial statements in accordance with the basis of presentation described in Note 1 to the summary financial statements.

Practitioner's responsibility

Our responsibility is to express a conclusion on these summary financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of summary financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian Auditing Standard (CAS) 810, *Engagements to Report on Summary Financial Statements*. Accordingly, we do not express an audit opinion on these summary financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that these summary financial statements, derived from the unaudited financial statements of Cree-Québec Forestry Board for the year ended March 31, 2023, are not a fair summary of these unaudited financial statements, in accordance with the basis of presentation described in Note 1 to the summary financial statements.
